WORK EXPERIENCE CERTIFICATE

Date of Issue: January 12, 2026

This is to certify that **[YOUR NAME]** was employed with **[Company Name]**, a YouTube-based digital news media company, as an **IT Support & Data Analyst (Spreadsheets)** on a full-time basis from **[Start Date]** to **[End Date]**.

During their tenure, they were responsible for managing Google Sheets and Excel systems for tracking video performance, ad revenue, upload schedules, and creator productivity. They developed and maintained dashboards for YouTube analytics, subscriber growth, audience engagement, and monetization metrics, providing clear insights for editorial and management teams. They also prepared accurate weekly and monthly performance reports used for planning and decision-making.

In addition, they provided technical support to journalists, video editors, and producers by setting up, maintaining, and troubleshooting computers, microphones, cameras, editing software, network connections, and livestream tools. They managed cloud storage and backup systems to ensure the security and availability of digital media assets and supported publishing and livestream operations to ensure smooth content delivery.

Their contribution significantly improved workflow efficiency, data visibility, and operational reliability. This certificate is issued upon request for official use.
